LETTER FROM THE PASTOR

Dear Brothers and Sisters,
 Continuing to underline the many great ministries in our parish for recognition, I want to thank the music ministries and especially our two music directors, Mary Moncivais and Jack Hernandez. Both Mary and Jack have taken a lot of time to understand the liturgy and the seasons we celebrate as well as special feasts. It is not always easy and it takes effort. They work hard to prepare their choirs to assist us all in our prayerful celebrations. They always go above and beyond to make the music a true ministry. We should all be very grateful!

Thank you Mary and Jack!

SOLEMNITY OF PENTECOST

- Paul was addressing a community experiencing conflicts and differing loyalties. Every community of faith—including yours—has such divisions. How do you bring people together under one Lord and Spirit? How do you help them realize their different gifts and help them feel equally valued? How do you call people to accept responsibility to use their gifts for the benefit of all?
- The disciples were filled with the Holy Spirit, a divine presence that continues in the church to this day. How do you let the Spirit into your work? How do you help others to understand the gospel, despite the diversity of the people hearing it? Is your life one of renewal and forgiveness?
